Nihilists.

St. Petersburg, 6.—It is semi-officially announced that is not the slightest warrant for the report that a large mine was discovered connecting with the Kremlin.

Lynched.

Chicago, 6.—News' Vicksburg, Miss.: Alexander Williams, colored, arrested for outraging a negro girl, Lena Moses, living on Deer Creek, was taken out of jail last night, and hanged by a mob.

Washouts.

Niagara Falls, Ont., 6.—The heavy rain of the past thirty hours caused a flood here, and Bridge street is covered with water to a depth of two feet. Several thousand dollars damage was done to goods in cellars and stores. Fifty feet of the Canada Southern track was washed away. Trains will not be able to run to Niagara till to-morrow.

Took it to Heart.

New York, 6.—In the suit of Herman Barwick, a love-sick jilted swain, who sues Miss McLeir for \$10,000 damages, Dr. Pettibold testified that had it not been for his medical attendance, plaintiff would now be an inmate of an insane asylum. He had lost twenty pounds since the engagement was "broken," and became nervous, emaciated and subject to palpitation of the heart.

Church Interference.

Montreal, 6.—Archbishop Laschuren informed the faculty of the Montreal medical school they must sever the connection with Victoria College or come under the anathema of the church. The Superior Hotel, Dieu Hospital, has an order from his Grace directing that medical students of protestant colleges be not admitted. It is alleged that some members of the faculty of the Montreal school have expressed to Bishop Faure, their acquiescence in the Pope's mandate.

"Pilot" Killed.

New York, 6.—Barnum's elephant, "Pilot," was killed to-day. He became intractable.

The Josephites.

Kirtland, O., 6.—Cold winds and rain interfered somewhat with the attendance of the Mormon re-union. An organization was not perfected till this afternoon. Religious services were held last night and this morning. Rev. G. E. Donald, of Glenwood, preached this morning. At 1.30 the delegates assembled in the temple, Rev. Z. H. Gurley, temporary chairman, E. L. Kelley, secretary of the conference. After prayer by Rev. Joseph Smith.

A committee on credentials was appointed.

Rev. W. W. Blair was the next speaker. He is a counsellor of the church and at present a missionary to Utah. Among other things he said: "Our conference has some reference to Joseph Smith the Seer, we see him a poor, unlettered boy in the wilds of New York, persecuted and opposed on every hand. He organized the church of six members in the back woods of New York. From that nucleus a great church has arisen that has attracted the attention of the civilized world. If Joseph Smith was not inspired by God Almighty, he was the most wonderful man in this country. We praise him and the work he performed."

Rev. C. H. Gurley made a short address. In speaking of the Utah Mormons or Brighamites, he said: "They are dissenters from the original Church. The people of Utah, men and women, have practiced the meanest things that ever disgraced the world. I am very sorry that such a thing as polygamy exists. It is a curse as black as Egyptian darkness. I do not take stock in any religious followers who do not live in a nation to obey its laws. I would rather have my child a rank infidel than a Utah Mormon practicing polygamy. We have the United States government will draw a distinction between the re-organized church of Latter-day Saints and those latter-day devils at Utah." This closed the afternoon service. A permanent organization will not be effected before tomorrow morning. To-night, John W. Gilbert, of Fall River, Mass., preached a sermon.

If you will consult your family physician, he will tell you nothing can be given better than **COLDEN'S LIQUID BEEF TONIC**. Ask for **Colden's**, take no other. Of druggists generally.

Crime.

Paris, 6.—The only reason Chatelet gives for murdering his wife was that he had become tired of seeing the name of Chatelet mixed up in the monastary affair, and thought he could save his wife from further shame in that regard by killing her.

A case is in progress in the probate court against Billing, late consul to Tunis, who it is alleged, has attempted to palm off a foundling as the son of his late wife by her first husband, Admiral Carling. The case led to a sensational disclosure. Counsel for the prosecution hinted the foundling was a natural son of Napoleon the third.

Gentle Women

Who want glossy, luxuriant and wavy tresses of abundant, beautiful hair must use **LYON'S KATHAIRON**. This elegant, cheap article always makes the hair grow freely and fast, keeps it from falling out, arrests and cures grayness, removes dandruff and itching, makes the hair strong, giving it a curling tendency and keeping it in any desired position. Beautiful, healthy hair is the sure result of using Kathairon.
